

Dear GBO Member,

Welcome to the GBO Newsletter for May! Many new and interesting features await you, so let's jump right into the content!

---

## **New Calendar Design and Functionalities**

The meeting calendar has received a complete makeover and we hope you like it as much as we do!

When visiting the Meetings page, you will be greeted by the colorful new layout and design, now divided by month. To get to the next month or back to the previous month, use the arrows behind the month name.

Searching for a certain meetings or city has now become easier and boasts additional functionalities - a free text search, the possibility to sort by date or meeting name and the option to display past and/or future events have been added, as well as the possibility to jump between months and return to the current month.

Booking yourself a place on any meeting has become easier as well - you can now do this directly from the calendar overview. With just one click the "Book This Meeting" button your booking is completed.

Detailed information about the meeting including the attendee list will pop up once you click anywhere else in the listing. You can book in from the pop up as well of course by clicking the "Book This Meeting" button on top.

You can easily see if you are already booked into a certain meeting

At the bottom of the pop-up you will find the attendee list, any additional information and the possibility to change your booking once you are booked for that meeting. Clicking on the name of other attendees will direct you to their member profile.

## **Please note!**

**The "My Bookings" Page will not be available for a few days. All your bookings will be listed there again soon.**

**It is NOT necessary for members to complete the form that appears when you click on the "Book This Meeting" button on the bottom of the pop up. Please use the button on top of the pop up or the button in the meeting overview. The button on the bottom will be removed soon.**

**Your existing bookings will be transferred to the new calendar during this weekend. You will not lose any of your existing bookings or have to book yourself into any meeting you were already registered for.**

**Please contact us if you have any questions or problems!**

---

## **Improved Member Profiles**

In addition to the new calendar, we have also revamped the member profiles and strongly encourage you to **update yours as soon as possible!!**

Your profile now offers many new options to tell your fellow members more about yourself - not only about your professional background, but also about your GBO membership and your personal interests.

Here is how a completed improved profile will look

To edit your profile, log into the website or App, hover or click on your avatar in the top right hand corner of your screen and select "Settings" followed by "My Profile" in the drop-down menu. Click on "Edit" under your avatar.

Now you can edit and/or complete all sections. Don't forget to save each section before moving on to the next one!

The "Settings" section is not visible to other members, only to yourself.

**This is the perfect opportunity to make sure your profile is up to date and includes a current picture of yourself. The more other members can find out about you here, the more relevant contacts and messages will come along!**

---

## **GBO Podcasts**

The first 3 GBO Podcast have been released and are ready for your viewing and listening pleasure [here](#).

The podcasts are produced under the motto "A Taste of the Club" and I was proud to be the first guest, followed by Andrew Hughes from GBO Madrid and Isabelle Aarkervik from GBO Stockholm.

---

## **GBO's own Webinar "Develop your Networking Skills"**

As the first "Develop your Networking Skills" webinar hosted by the GBO Head Office team was a success, we have decided to host them on a monthly basis. The next one is scheduled for **Wednesday, 10 June 2020 at 10:00 CET** and will be repeated once a month.

Book your space [here](#)!

---

## **First chapters start local meetings again**

GBO Stockholm and GBO Mallorca already did it, others are following suit during June - the traditional local chapter meetings are starting again!

The President's Teams in your chapter are already working on the organisation of the next local meetings. You will of course be informed via your city WhatsApp

group as soon as dates and locations have been secured.

---

*June will see an exciting new mix of local and virtual meetings, bringing members together in new and in traditional ways. We look forward to many more pictures of smiling faces and even more new features which will increase the value of your membership! We are #ProudtobeGBO!*

*Please continue to stay safe and healthy!*

Kind regards,  
Your GBO Team
