## Ambassador Program

Picking up momentum very quickly, the Ambassador Program is ensuring the continuous growth of your global network, improves your member experience and strengthens the GBO community on a regional and local level.

Within Europe, Ambassador opportunities are still open for **France**, **Portugal** and **Spain**. If you are interested in learning more or know somebody in your personal network who could be a great Ambassador, please contact Michaela at [michaela@globalbusinessowners.com](mailto:michaela@globalbusinessowners.com)

Click on the picture to view a short program presentation.

The Ambassador Program for all other regions around the world, especially in North- and South America, will start during July as well. Feel free to get in contact if you would like to recommend someone and we will be happy to discuss the possibilities.

## GBO Podcast

The 5th GBO Podcast has just been released today and can be viewed and listened to [here](#). Transcripts are also available for those who prefer to read.

This week's episode features [Dr. Josephine Munthali](#), President of the GBO Edinburgh chapter, and her remarkable life and journey from Malawi

to Scotland. She also talks about the Child Support Project charity she founded almost 20 years ago to help children in Malawi.

The image is a promotional graphic for a podcast episode. It features a dark blue background. In the top left corner, there is a logo for 'Global Business Owners' inside a shield shape. To the right of the logo, the text 'GBO Podcast' is written in a large, white, sans-serif font, followed by 'Episode #5' in a smaller font. Below this, the title 'A TASTE OF THE CLUB' is written in a white, all-caps, sans-serif font. Underneath the title, there are three portrait photos of the hosts: John Ball (a man with a beard and a bow tie), Richard Wikström (a man with a beard and a goatee), and Dr. Josephine Munthali (a woman with short hair wearing a red top). Below each photo is the name of the host in white text.
